FASANA- see report

Old Service:

•Elections were held for new PI officers. Congratulation to the following:

Adam S. –approved as chair

Ullonda S. –vice chair

Dawn S. –secretary

•State Fair discussion-

>Discussed the Regional PI Learning Day set for June 9th in Marshalltown. This involves training of state fair participants.

>Discussed the display for the state fair. Jeff G. has committed to making the display.

Adam is going to contact NAWS about seeing what help they might be willing to provide for the literature for the display and to hand out at the fair.

>Michelle is going to contact Mitchellville Woman's Prison to check printing cost for regional meeting lists and business size copy's for the state fair booth.

>The PI sub-committee would like all area's that have a phone line number to provide an ink stamp for the state fair so that literature can be stamped with each area's help line number. Your stamp would then be returned back to your area after the state fair. Please take this information back to your area's and get their conscience on this matter as soon as possible.

•Governors conference in august.

>The Planes State Zonal wanted the sub-committee's conscience for an 80.00 financial request to represent the zone at the Midwest Gov. Conference. This request was approved by the sub-committee.

New Service:

•We discussed ways and ideas of building stronger Area PI Sub-Committee's as it is common that many area's struggle with this.

•We have a 2008 PI budget proposal in the amount of 1500.00.

•REMINDER- If your area has a change on your meeting list, please be sure to report it to the PI Sub-Committee ASAP so that information can be changed on the regional meeting list. Please pass this reminder along to your area. This information can be sent to info@iowa-na.org.

Thanks, In Loving Service, ~Dawn S.
