Please come join Iowa's newest AREA (formerly the western half of the #2 Peace Area) for yet another Octoball – where we have a BALL in the middle of OCTober! Come meet your neighbors, hear the message of recovery, and be a part of!

There is a large playground nearby, lots of woods along w/ a nature trail. The Little Sioux River runs through the park, **please remember this is PRIME leaf color viewing season!** If you enjoy river fishing, this is a great place to do it. There is a campground located in the park if you wish to camp while attending – cost is \$10/night. We also have our “New Years Eve” and “Spring Fling” (April) functions at this location, and two of our campouts as well “Fishing for Recovery” (June) and “Frosty Falls” (Sept.) are located in this park as well. There is something for every season here!
