Sub-Committee Reports

AGME: Hello from AGME. Everything seems to be coming along good. We are in the process in getting orders together. The band has been booked and we are about ready to place the order for all the trinkets to go along with it. We have been in contact with the coffee vendor and putting that together. The merchandise (t-shirts, mugs, etc.) are coming along and should be ready to place that order soon. We are planning on selling t-shirts, henleys, hoodies, and baby-doll shirts for the women. I will be in contact with Don & Norma on the progress of the banners and to see if I can be of any help. ILS, Stacy Mc.
